SPECIAL FILMING CONDITIONS
WESTCHESTER BUSINESS DISTRICT

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The following Special Filming Conditions for location filming in the Westchester Business District have been established so that both the established businesses and production companies filming in the area can operate successfully and function in a cooperative manner. These Special Conditions apply to the area in Westchester bordered by Manchester Avenue, La Tijera Boulevard and Sepulveda Boulevard during regular business hours. Regular business hours are defined as 10:00 a.m. to 9:00 p.m.

- **Affected residents/merchants/businesses within 500 feet of any filming activity, including equipment parking, must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted at least three (3) days in advance.*

- **Cast/crew parking is not permitted on area streets or in area parking lots unless approved by the Westchester Business Association (Bob Smith, *310.331.1551).*** Off-street, alternative parking must be provided.

- **Catering and feeding of cast/crew members shall be done on private property and may not impact area businesses.**

- **A maximum of four (4) production vehicles will be allowed to park in the parking lots off 87th Street & Sepulveda Eastway. Permission to park in area lots must be arranged through the Westchester Business Association's Business Manager, Bob Smith.**

- **The posting of "No Parking" signs should be kept to a minimum in order to reduce the impact on local businesses.** Equipment may only be parked in front of businesses that indicate approval upon FilmL.A.'s *"Request For Temporary 'No Parking' Posting For Filming Purposes"* survey form, or businesses that are clearly vacant or closed during the hours of activity.

- **In conjunction with merchant signatures, productions companies are also required to submit a parking plan to FilmL.A. for approval.** The plan must be submitted to FilmL.A. at least four (4) days in advance of the filming date when requesting posting or two (2) days in advance of the film date if posting is not required. *The approved parking plan will be attached to every permit and must be strictly followed.*

- **Unless approved by FilmL.A., filming activities that involve exteriors, the use of sidewalks, streets or parking facilities shall be prohibited on the following holidays and the day prior: *Valentine's Day, Mother's Day, Father's Day, Easter and Thanksgiving.*** Approval will be based on an authorized Filming Survey of affected businesses demonstrating substantial support of the activities.

- **Filming activities that involve exteriors, the use of sidewalks, streets, or parking facilities will not be permitted for the two weeks preceding Christmas Day.**
